Your yearly limit(s) in this plan:

If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year.

Refer to the "Medicare & You" handbook for Medicare-covered services. For AHCCCS (Medicaid)-covered services, refer to the Medicaid Coverage section in this document.

Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.

Inpatient Hospital Coverage

The co-pays for hospital and skilled nursing facility (SNF) benefits are based on benefit periods. A benefit period begins the day you're admitted as an inpatient and ends when you haven't received any inpatient care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a SNF after one benefit period has ended, a new benefit period begins. You must pay the inpatient hospital deductible for each benefit period.

There's no limit to the number of benefit periods.

Our plan covers 90 days for an inpatient hospital stay. Our plan also covers 60 "lifetime reserve days." These are "extra" days that we cover. If your hospital stay is longer than 90 days, you can use these extra days. But once you have used up these extra 60 days, your inpatient hospital coverage will be limited to 90 days.

In 2020, the amounts for each benefit period were:

- \$0 or \$1,408 deductible for days 1 through 60
- \$352 copay per day for days 61 through 90
